VOL. LXXIX, NUMBER 11

Oak Point Chalks Up Another Accident

John Moles, 339 Melrose Ave., Kenilworth, was injured and taken to Victory Memorial Hospital by the Antioch Rescue Squad after a three-car collision on Route 173 Monday, September 7.

Moles, driving an Austin-Healey, said he was headed west on Route 173, and stopped behind a car at Oak Point State Park, near the Fox River. The car ahead of him was halted and was behind a car and boat trailer which had stopped to make a left-hand turn into the park.

He said a car came off the north shoulder of the road and hit the trailer, then hit the second car head-on. The driver of the car which reportedly struck the others refused to give a statement to sheriff's deputies.

Involved in the accident, in addition to Moles, were John Wilkerson, 101 S. Park, Waukegan, driving a 1960 Ford; and Larry Turner, 1208 Burgen St., Ingleside, driving a 1959 Ford convertible. George Johnson, Rt. 3, Lake Villa, was the driver of the car hauling the trailer.

Wilkerson was taken to the office of Dr. Abderhalden in Antioch for treatment. The accident happened at about 1 p.m. Monday.

Six More Traffic Deaths In County

Lake County chalked up six traffic deaths in August this year. August, 1963, brought death to eight motorists.

However, there have been 64 deaths to date in Lake County this year, as against 53 at the same time last year.

This is the countdown from the Lake County Safety Commission. Watch out for children returning to school, they warn, and keep the count down.

Plan To Form Women's Auxiliary

Women of west Lake County are invited to attend a meeting next Monday concerning the formation of a Women's Auxiliary of Countryside Hospital.

The meeting will start at 1 p.m. at the community room of the Antioch Savings & Loan. Plans for the new organization will be explained, and refreshments will be served.

BSA Council Makes Plans For Future

The community room at the Lake County Savings and Loan Assoc. in Grayslake was the site of the Executive Committee meeting of the North Shore Area Council, Boy Scouts of America on Wednesday, August 26.

A new Associate District Executive, William Richardson, has been assigned to the district to assist the District Executive, Brandon Meese.

Public Relations Chairman Chet Cozy and Radio Station WKRS, Waukegan, have worked out a program whereby Boy Scout news items will be broadcast twice daily, and meritorious Scouts and associates will be individually cited three times daily.

A notable feature of this meeting was the presentation of an American Legion "Citation of Recognition" to the North Shore Area Council, Boy Scouts of America. The citation, accepted by Mr. Schwekel from William Roser read as follows: "In recognition of the fact Tom Pfennig Explorer Post No. 71, B.S.A., Libertyville, Illinois, has demonstrated a high degree of Leadership and Citizenship qualities epitomizing the best in Scouting Spirit, as evidenced by Boy Scouts, School, Church and personal records, and for placing among the top five Scout finalists in the American Legion Boy Scouts Educational Scholarship contests."

Added to the growing but still too short list of Members at Large were the names, Leonard Thellen, Robert Kangas, and Robert McCullom.

To Choose County Hootenanny Champ

An official Lake County Hootenanny Champion will be chosen September 19 and 20 at Deer Haven near Fox Lake.

The Hootenanny contest is being sponsored by the Lake County Posts of the American Legion. Proceeds from the event will go into a fund to purchase Lake county flags for school buildings in the county.

Trophies will be awarded in each of five classifications: single act, duo act, trio act, quartet act and best group act.

Competitions is open to all professionals, semi-professionals and amateurs upon payment of a one-dollar fee, which will be used to defray the cost of the trophies.

Applications for enrollment may be obtained from local Legion Posts or at the Deer Haven Box Office in Fox Lake. Entries must be in by 6 p.m. Sunday, September 13. Applications may be mailed to this newspaper.

County Board Approves Purchase of Utility Corp.

The Lake County Board of Supervisors, in a history-making move, voted Tuesday to purchase the Oak Grove Utilities Corp.

The Oak Grove Utilities Corp. is a combined sewer and water system servicing Countryside Manor subdivision, in the Libertyville area.

The County Board Tuesday approved a contract for the purchase of the corporation at a cost of \$115,000.00. The purchase will be financed by the sale of Revenue Bonds.

The newly-acquired utilities will be under the management of the Public Works department.

The Lake County Water District has also been attempting for some time to purchase like facilities. The functions of the two departments are apparently identical in many areas. However, the Water District is not under the control of the county board, and does not require board approval of its financial dealings.

The Public Works department has completed an engineering survey of the county in regard to the possibilities of long-range development of a master sewer and water system which would service all areas of the county. John Morris, of the Public Works Department, said the purchase of the Oak Grove plant could be considered the first tangible step in bringing the plan to reality.

The next step, Morris said, is to raise the money to fulfill the contract. The Public Works Dept. hopes to present a revenue bond ordinance to the county board for approval within a month. The county can then recover the money expended for the purchase through the regular receipts of the utility.

The purchase was made from the developers of the subdivision serviced by the facility. The Oak Grove Utility is at present self-supporting, and should continue to be so without any change in rates, Mr. Morris said. It has about 114 users at present, and a potential of 220 users.

It has taken about a year, Morris said, for the Public Works Dept. to reach a satisfactory agreement with the owners of the utility, with the aid of Assistant State's Attorney Behr. The contract for the purchase and full information on the plan was presented to all members of the county board before Tuesday's meeting, and was passed without dissent.

"We're very optimistic about this move," Mr. Morris said. "We feel that the sound contract reached, and the efficient operation of this plant, will help to establish confidence in the Public Works Dept. to operate such facilities."

Allendale Plans Open House Sun.

On Sunday, more than 250 families are expected to visit Allendale School for Boys in Lake Villa and participate in the festivities surrounding Allendale Day, 1964, the school's annual open house.

Activities begin with a softball game at 2 p.m. At about 3:45, David W. Dangler, Chicago, President of the Allendale Association will introduce Mr. Richard A. Leavell, newly appointed director of the school. Mr. Leavell will, in turn, introduce his staff.

The Allendale boys personally invited 72 Trustees and husbands of Auxiliary members to compete with them in the Allendale Olympics. The four intramural teams of Harvard, Yale, Princeton and Chicago will vie for honors in gunny-sack races, three-legged races, egg throwing contests and wheelbarrow races. The Olympics are expected to get underway about 4:00 p.m.

Climaxing the day, is the chapel service conducted by the boys. Tours of the grounds and buildings will be conducted by the boys and interest is expected to be centered around the new gymnasium remodeling project. Approximately \$125,000 is being spent on complete renovation of the old gym and the work is more than half finished.

Allendale School is now in its 67th year of continuous service to troubled boys. More than 3500 boys have received care, education and social rehabilitation through the facilities of the school. Allendale is a private, non-sectarian, interracial agency supported by the Crusade of Mercy, fees from various courts and private placement agencies and from gifts from individuals, firms and foundations. Allendale also participates in the Mundelein Area United Fund, and the Kenilworth United Fund.

First Aid Classes Start Next Week

The Antioch Rescue Squad is sponsoring a course of First Aid classes which will start next Wednesday, September 16.

Dan Dugenske will be the instructor for the classes. In addition to being a member of the Rescue Squad, Dan is a qualified Red Cross instructor and has considerable additional training in First Aid. The public is invited to join the group. This is the only course which will be offered this fall. First class will be at the Rescue Squad building starting at 7 p.m. next Wednesday.

Several of the school bus drivers, Rescue Squad members and firemen will be taking the course, which will cover general First Aid in emergencies.

Grand Jury Indicts Two For Murder

The Grand Jury returned murder indictments against two men Tuesday.

Eighty-year-old Angelo Iovanelli was charged with four counts of murder and one of voluntary manslaughter in the August 4 slaying of his wife, Mary, at their home in Felter's subdivision, Antioch. Iovanelli is charged with having shot his wife with a shotgun.

Four counts of murder were returned against 18-year-old William Johnson, Grayslake, for the murder of Joyce Obenauf, Round Lake. Johnson is charged with having beaten Miss Obenauf to death with a tire lug wrench on August 28.

The murdered girl was found near her car on Route 120, about two miles from her home, the morning after the slaying.

Vote To Endorse All GOP Candidates

The Antioch Township Republican Club voted unanimously to endorse the entire Republican slate in the coming election. Singled out for special endorsement was Marshall Schroeder, a candidate for the State Legislature.

Schroeder is publisher of the Lakeland newspapers, and has long been an active Republican.

Club members were told that Senator Everett Dirksen has promised to be present for the Republican outing at George Diamond's if at all possible.

Heart Disease Is Number One Killer

Heart disease last year maintained its dubious distinction as Lake County's number one killer as it struck down 1,171 county residents.

This was 54 per cent of the 2,165 deaths in the county during 1963, according to statistics released this week by the Illinois Department of Public Health. The county heart disease death rate is one percent lower than the state rate.

In 1962 heart disease was responsible for 1,164 of the county's 2,121 deaths.

Dr. William Darnall, president of the Heart Council of Lake County, a division of the Chicago Heart Association, said the statistics show there is still a long fight ahead to conquer cardiovascular diseases.

GOP Club Opens Headquarters For Campaign In Antioch

The Antioch Township Republican Club will officially open its campaign headquarters Friday evening in the building on the northwest corner of Lake and Main Sts. in Antioch, formerly the information booth of the Jaycees.

Invited and expected to attend the opening are many of the county and township officials of Lake County.

Herbert Horton, president announced that this was part of an all-out campaign to elect the entire Republican slate on the national, state and county levels.

The public is invited to attend the Grand Opening.

Ill. Veterans Can Get Dental Care

The Administrator of the Illinois Veterans' Commission, Mr. Edward B. Akin, today stated that since the passage of Public Law 88-430, effective August 14, 1964, those veterans who were previously denied dental service and treatment because of the nature of their discharge and has since been corrected by competent authority, from dishonorable conditions to other than dishonorable, may now file for this treatment. He stated that applications for this service-connected outpatient dental care may be filed within one year from date of enactment of the law, or one year from date of correction of discharge, whichever is later.

Mr. Akin advised that those veterans who have had their discharge corrected, and are in need of outpatient dental care, should contact the nearest Illinois Veterans' Commission Office in their area for further information.

You may contact H. D. Blackwell, Service Officer of the Illinois Veterans' Commission at 108 S. Genesee St. in Waukegan. The office is open Monday through Friday between the hours of 8:30 a.m. and 5 p.m.

Student Council Busy With Plans For Year

Although the '64-'65 school year is just beginning, Antioch Community High School's Student Council is already hard at work planning for the new year.

Since this year marks the Golden Anniversary of ACHS, the Council has already begun work on Homecoming activities. The theme chosen for the celebration is "Sequoia's Path of Progress."

The Student Council also is sponsoring a program to raise the daily attendance by means of class competition. There are plans to honor the class with the least absences at the close of the school year. Miss Heindl, the school nurse, has been working jointly with the Council on this project.

At a meeting held on Saturday, August 29, members of the Antioch Student Council were privileged to meet Masaji Okubo, Antioch High's Foreign Exchange student from Japan. Masaji told the Council that he liked the United States and Antioch very much. His hope for this year is to be able to better understand our customs and language.

Just one year ago a Foreign Exchange student at Antioch was only a dream, but because of much work by the Student Council of last year and enthusiasm by the student body, Masaji is now staying at the home of Mark Nelson. Both Mark and Masaji are Seniors and members of the Student Council.

The first regular meeting of the Student Council will be held on Tuesday, September 15.

The Student Council of Antioch High expressed its gratitude to all of the business establishments, organizations, and students, especially the graduates of '64, who through their combined efforts made it possible for ACHS to have a Foreign Exchange student. Their special thanks go to Howard Shepard, president of Antioch Chapter of the American Field Service; to Jerry Berke, past president of the Student Council; and to Reverend and Mrs. Harold Nelson, who have graciously accepted Masaji into their family for the year.

SUPERINTENDENT ALBERT DITTMAN welcomes Masaji to Antioch High when he finishes registering.

Coulson To Discuss School Legislation At ACHS Meeting

Antioch Community High School will have Senator Robert Coulson as guest speaker when faculty members host the Northwest Conference of Superintendents on Tuesday, September 15.

This is the first of a series of monthly meetings held at schools in the conference. It will start at 3 p.m.

There will be a discussion of the Teacher's Workshop being planned for November 25. Senator Coulson is expected to discuss a number of issues relevant to legislation affecting schools. "I'm sure," Superintendent Albert Dittman remarked, "that he will be asked many questions concerning the legislation which affects our use of the spectator buses for school children."

Following the business meeting and program, dinner will be served in the cafeteria at 5:30 p.m.

MASAJI OKUBO, Foreign Exchange student, lined up with other seniors to register for his year's study at Antioch Community High School.

987 Students Enrolled At Antioch High

On the first day of school, Antioch Community High School has an enrollment of 987 students.

School officials had estimated this year's enrollment at 990. This will probably be the first year in the history of the school, Superintendent Dittman said, that the graduating class will number over 200.

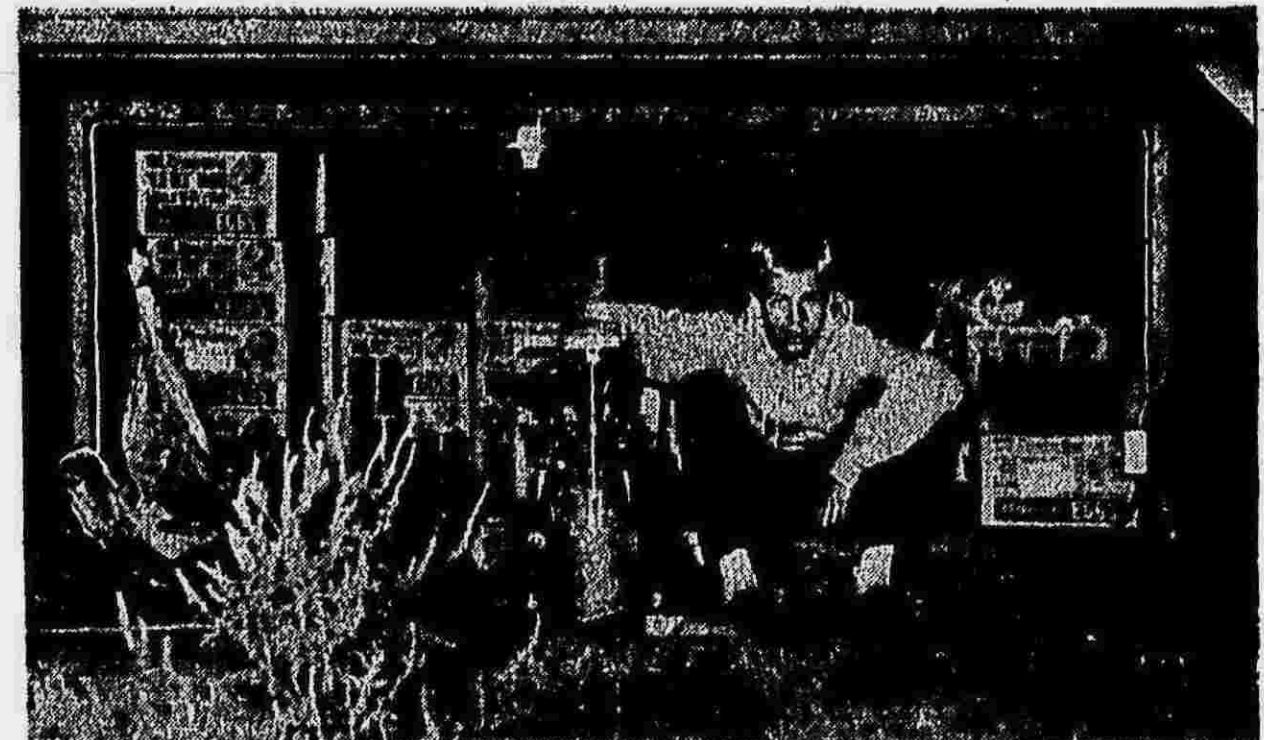

The 987 students include 520 boys and 467 girls. There are 270 freshmen, 241 sophomores, 238 juniors and 238 seniors.

One new member of the senior class is Masaji Okubo, Japanese Foreign Exchange student. He will attend Antioch High School this year under the auspices of the American Field Service.

High School Starts Placement Service

Antioch Community High School is establishing a placement service for graduates as a service of the Guidance Department.

Many calls are received from employers offering attractive job opportunities. Any graduates, particularly the class of 1964, seeking employment may come to the High School or forward a card indicating school class, current address and phone number, and the type of job in which you are interested.

LONNIE ROZEK was operating one of the traps at the Northern Illinois Conservation Club turkey shoot last Sunday.

TERRY AGONATH; Al Moore and Walter Monhard were manning the entry table when this picture was taken.

EDITORIAL

Suggested Amendments

In addition to everything else, Illinois voters will have to vote on two amendments to the state constitution on November 3.

One amendment would provide that the State Legislature should meet each year, instead of every other year.

No one has advanced any very convincing arguments in favor of this change, and we certainly can't think of any.

We can think of several arguments against it, and money is one of the big ones.

It costs the taxpayers a great deal of money every day the Legislature is in session. The more days it's in session, the higher your taxes will be.

A great deal of time during the sessions is spent in politicking, stalling and publicity aimed speeches and maneuvers. It's fairly certain that if the Legislature were to meet every year it would mean an increase in this wasted time, for which the taxpayer is paying. More pet projects would be brought to the floor, and probably a great many more "sneaked through" than now. More money.

The Governor can call a special session any time it's necessary. We have a Governor, he's being paid to do a job, and sometimes it seems he can do a better one if left to his own devices.

Illinois has functioned without yearly meetings of the Legislature for a great many years. What we need is not more government, but less—fewer laws, with better enforcement; less pressure by groups seeking to further their own favorite projects; and above all, less expense.

Courthouse Notebook

BY LOU DURKIN

The selection of Francis Berry, mayor of Libertyville, as a candidate for the House of Representatives on the Republican ticket, should help to strengthen the GOP slate in the November election because the personable Libertyville official has had considerable exposure to the voters in Lake County.

Berry has been a candidate for the GOP nomination for State Representative on three previous occasions and pulled a substantial vote each time, but never enough to win the nomination.

Berry, a real estate and insurance man in Libertyville, did not seek election as a delegate to the nominating convention in the April primary, however.

Berry replaces Robert E. Buckley, a political unknown who was handpicked by Charles Percy's slating committee, but has withdrawn because of his health. Berry should certainly be a greater asset than Buckley despite his past defeats because he is comparatively well-known to the voters.

The presence of Berry among the five GOP candidates from Lake County will also give the slate better balance since three of the original quintet, Marshall Schroeder, of Grayslake; John Kleine, of Lake Forest, and Buckley were all in the printing and publishing business while John Conolly, an incumbent seeking re-election is an investment broker, and Nick Keller, Jr., who ran third among the delegate candidates, is also an investment counselor.

Some people blame it on the phase of the moon and others on the deterioration of community morals, but whatever the cause the recent outbreak of violence in Lake County brings home once more the message that crimes of violence are not restricted to the heavily populated, metropolitan centers.

Vicious as some of these crimes have been, however, they are no more vicious and degrading than the recent rumors of alleged incidents that have strong racial overtones.

Many people have heard of

the alleged attack of a small boy in a Waukegan Shopping Plaza washroom and despite efforts of police and newspapers to discredit the rumor as just that, there are still many people who are apparently convinced that the press and police are "covering up."

The willingness to accept as fact any rumor that discredits the Negro race while rejecting evidence showing the rumor to be without basis is an appalling symptom of the sickness of many people in our communities.

Extremism on the part of some Negroes who flaunt law and order in the name of civil rights is not to be condoned, nor should extremism in opposing the drive for racial equality be accepted.

Charges and counter-charges continue to fly between the Lake County Public Water District and the Lake County Public Works Department over the question of who should provide water and sewer service for the various communities and unincorporated areas of the county.

Since the resolution establishing the PWD gives the department authority to operate water and sewage disposal plants, then it seems that it would be better to have just one county department in charge of the operation on a county wide basis.

At the risk of lynching we would even prefer to see the county PWD take over all sewer and drainage systems except those within a community and do away with some of the many taxing districts in Lake County.

The multiplicity of taxing bodies in Lake County is inefficient and wasteful because of duplication and it is much easier for taxpayers associations and similar groups to keep tabs on one major department than on scores of small neighborhood and area taxing bodies, many of which have outlived their usefulness.

Headlining weekend politico-social events is the Pow Wow and Steer Roast being presented by the Fremont Township Republicans at Countryside Fire Station,

By Pearl Kapell

Dave Nissen missed out on a couple of provisions he might have added to that list of provisions which made up the package deal between the village board and plaza owners on the 40 feet.

Maybe he could have persuaded plaza owners to install the east side parking lot, too!

TAX WEARY WILLIE SAYS:

I'm never going to live to be old enough to get Medicare if they don't leave me enough money in my pay check so I can go to the doctor now.

A few more pay check deductions and they'll have it so that you can't afford not to retire.

COLLEGE GRADS LOSE HUMILITY:

Jack Benny has expounded a fascinating theory. No man who has gone to college, he says, can become a great comedian.

He thinks it's because the college graduate has lost his humility, the common touch. Is it true? Does a degree give a man too much assurance?

I've heard the same thing from craftsmen, minus the college education, who have earned a wealth of skill and knowledge in years of labor at their trade. Big business, they say, is throwing away a gold mine of know-how by ignoring their skilled craftsmen, and putting their faith in the armchair engineer, who is contemptuous of the opinion of anyone who doesn't have a degree.

What do you think?

STATE'S RIGHTS—WHERE DO YOU DRAW THE LINE?

The clearest argument we've seen in a long time against the State's Rights cult is the acquittal last week in Mississippi of the accused murderers of the Negro army officer.

Coming at this time, it seemed as though the white people of that state were flaunting in the face of the rest of the United States and the world the declaration that no white man will ever, in Mississippi, be convicted of the murder of a Negro.

It brings home most vividly that there are times that the Federal government must overrule the States. We cannot pretend that what happens in Mississippi is none of our business. It is our business, for to the rest of the world this was not Mississippi, but the United States that did this.

Lincoln was a great president, and he refused to let each state make its own decision in this matter. If the states wish to preserve their individual rights, they must enforce the laws of the land, not just the ones they like.

Water Fight Team Captures Trophy

The Antioch Firemen's Water Fight team finally brought home the bacon!

Not exactly "bacon"—their newly-won treasure is a foot-high, second-place trophy, with a shiny silver fireman on top.

The team took part in the Barrington Round Robin on Sunday, August 30. Countryside took first place in the 14-team competition, Antioch took second.

Sunday, September 20, at 1 p.m., the Antioch Firemen will host the Lake County Firemen's Association Round Robin. The water fights will take place on Broadway. Maybe, with their fellow townsmen to cheer them on, they can capture first place.

Mundelein, on Saturday from 5:30 p.m. until somewhat later.

Many state and local candidates will be on hand and there might even be some smoking of the peace pipe among various groups.

And it's Joe Welch Day time again in Barrington and the politicians and others of their ilk are practicing their golf swings for the 20th plus golf day sponsored by the Cuba Township Republican Club.

It's too bad, but wives won't be welcome at the Biltmore Country Club for this event next Wednesday, and if you don't get your tickets soon you won't be welcome either.

ALONG THE WAY with Annie Mae

Bless all your little old phonedialin' hearts, you missed me! Nothing really spectacular about my vacation, I just packed up by three old adjectives and stole away to replace the ribbon on my typewriter and catch up on my readin' minus the writin'. Sometime when we have more space than we know what to do with I'll write you all about it!

Consumer Protection

By Attorney General William G. Clark

"THE DEPOSIT KEEPERS"

Some used car dealers who set up sales in vacant lots have their own special set of tricks of the trade. One such group of operators has earned the epithet of "Deposit Keepers" from my Bureau of Consumer Fraud.

In this issue we will describe only that particular segment of the used car business, although there are many other schemes and artifices which are employed. It should be said at this point that most automobile dealers are honest and employ ethical sales practices; and when "gyp operators" are referred to, it must be remembered that this is only a small percentage of those who engage in the automobile business.

A customer expresses a desire to buy a certain car. If he wants to buy it on time, the dealer will take his credit application. Generally speaking, when the prospect appears to have weak credit, no mention is made of the need for a co-signer if credit is refused.

However, the salesman will insist that a "bill of sale" be drawn before the customer leaves the lot. Standard forms which are used most frequently are printed on both sides. Many customers are not aware of this.

An unethical dealer may then insist that the consumer take the car and use it while a credit check is being made. When credit is refused, the dealer will retain the deposit of \$25 to \$300 as "depreciation" on the car. Unwittingly, many sign their names to contracts which actually permit the dealer to retain their deposit or their trade-in car as "liquidated damages" if credit is refused.

Consumers may also be victimized by an operator who is using a certain car as a leader, taking deposits from many whose credit is questionable.

Only the dealer stands to gain from such transactions. In fact, the dealer can't lose—if credit is refused, the dealer will retain the deposit. If credit is approved, he has his normal profit from the sale of the car. He then seeks out another good leader to use as "window dressing" on the car lot and as a "come on" in advertisements. Some dealers have been known to sell the same car several times a month, retaining the deposit in each instance.

What do I advise? To avoid being taken, demand a conditional sales contract which notes the amount you deposited. By law the consumer is entitled to a copy of any retail installment contract. Make sure that the salesman writes across the face of the contract words to the effect that it is void and the deposit will be returned if credit is not approved. Above all, don't take the car from the lot until the transaction has been completed.

Used car lots can be set up and abandoned as quickly as those for Christmas tree sales. Fraudulent operators

that some civic organization is "on the ball" and preparing a replanting project ... a certain Jack and his wife will soon be playing Honeydew Bridge ... Den and Maja Cardiff have a not too distant date with that long legged bird ... kind of looks like Dick Kaye might be building a bungalow for two!

THE LAST DROP: Ray Wood and Bill Young are the latest members of the cycling crowd ... all the glittering plans for the A.C.H.S. Golden Anniversary are shaping up to another stupendous show in our town ... cocktails served in an Old English garden setting with a touch of fall in the air were delightfully hosted by the Tony Stanich's and the Homer LePlants. Worthy of honorable mention were the yummiest hors d'oeuvres ... Jack and Sara Fields are contemplating an early move down on the farm on Edwards Rd.

DID YOU HEAR? The definition of a Committee? A group which succeeds in getting something done only when it consists of 3 members, one of whom happens to be sick and another absent.

We All Buy The Image

Did you ever stop to think of what it is that makes people buy one product rather than another? Or why one business prospers and another fails?

According to the psychology experts, it's the public's mental "image"—or mental picture—of a product or business that accounts for its success or failure.

Sometimes a good image of a business or product can be built up by clever advertising propaganda to bring overnight success.

Often this is the case with a new product introduced to the market with an expensive advertising splash. But the image never lasts unless the product delivers the satisfaction it promises—unless the picture of promised satisfaction is REAL. This is true of all advertising that doesn't represent the facts. Its cost represents wasted money.

Our basic attitude in running a car dealership is to create the kind of establishment that we would want to do business with IF WE WERE THE CUSTOMERS. Customers want honest treatment, truthful guarantees, good service and fair value in everything. Give them that and you'll keep them.

We hope, in talking honestly to you about the car business in this column, that we can convey to you a true picture of our business. Should you decide to patronize us, we don't intend to waste our advertising dollars by not following through with the satisfaction we promise.

The Women's Auxiliary met last week, and, among other things, decided to change the night of their meeting to the first Thursday of each month. They hope to stimulate more interest in the organization, and perhaps more members can make the meeting on Thursday. They also plan a Halloween party at the Holy Family Church October 1 at 8:00 p.m. There will be games and cake and coffee. You don't have to be a member to attend the party. They also have plans in the making for a dance. Julia Chonis spoke at the meeting about subdivision going on.

Maggie and Jim Klingenberg of Piper Lane celebrated their grandson's birthday with him, September 2. Little Jimmy Muga was 2 years old. His parents are in the process of building a new home near Roselle, Ill.—the

Handover Highlands. Maggie and Jim got him a tricycle, which he promptly tried to take apart, not being able to master immediately the art of pedaling and watching where he was going at the same time.

There are lots of birthdays lately—Sept. 8, Lauchlin Anderson and Catherine Emma; Sept. 9, Jimmy Norris and Sept. 12, Michael Savage. Happy anniversary to Mr. and Mrs. James Chadwick Sept. 10. Also Charles Bray on Sept. 3.

There was a steak fry at Hoffman's Sunday. Among those present were the Lindholms, the Andersons, the Cappitellis and the Scotts.

Mike Hurdle of Hillside drive is recuperating from an appendectomy, and Terry Green of Carson drive is nursing a fractured ankle bone. Hope they are both well on the way to recovery.

At the annual meeting on Sept. 20, John Morris will speak to the property owners about the proposed sewers. William B. Hartnett, the Association attorney, will also discuss legal aspects.

The Gavin School P.T.A. met Tuesday night with the usual ceremony introducing teachers to parents.

The Bob Martin family has a new addition—a tiger striped kitten. Their cat, Meatsie, passed away about a year ago.

Strands finally have their Volkswagen again, after five weeks in the repair shop.

Hale Holowinski is wearing a neck brace as a result of his accident a few weeks ago.

Barbara Randazzo has been hospitalized at Victory Memorial after dislocating her hip playing soccer at school last week. She is wearing a cast and was in traction for a while. Now she's in a wheel chair and will probably be sporting a pair of crutches at school. Hope she'll have a speedy recovery.

Announce Promotion

Abbott Laboratories, North Chicago, has announced the promotion of Floyd C. Garven, 965 Normal Lane, Gurnee, Ill., to the post of Director, Development.

Keep your eye on the other guy. Watch him so you can make the move that will prevent the accident. By all means don't you be the other guy.

W. O. T. M.

It was back to school for the Women of the Moose at their September 3 meeting, for such was the theme carried out by the publicity committee which was hostess for the evening.

Jane Craner, publicity chairman, took on the role of teacher, Art teacher that is, and gave the co-workers a lesson in designing posters. At one time or another, the co-workers will be in the process of making posters to advertise their committee affairs; so this art lesson was greatly appreciated.

The back to school theme was further carried out in the room decorations and the refreshment table which was covered with a white paper tablecloth marked all over with childish doodles. The centerpiece was a

clever arrangement of a Duncan Cap, slate, school books and an apple for the teacher. One of the school books was a McGuffey's second reader dated 1879 and the slate belonged to Mrs. Craner's mother when she was a school girl. Earlier in the day the Publicity committee met at Jan Fenske's summer home on Loon Lake to complete plans for their September meeting. Jerri Tolson and Elaine Olson were co-hostesses with Jan for a picnic lunch.

Mrs. Bernice Van Dommele was welcomed in as a new member at the September 3 meeting. She was sponsored by Gladys Schroeder, the Junior Grand Regent.

IMPORTANT NOTICE
Because the officers will be attending the International conference in Peoria, the next meeting for the W.O.T.M. will

V.F.W. Items
The V.F.W. club is planning to hold a square dance September 26, at the V.F.W. hall, located on Soo Line Road and Grand Ave., Lake Villa. The King's Men will furnish the music. Chairman of the event is Lee Kelsler. Come and have fun swinging your partner and neighbor around.

V.F.W. Sr. vice-commander Henry Page states that the membership drive has started.

take place on Thursday, Sept. 24 instead of the regular scheduled meeting of Sept. 17. Co-workers are asked to keep this date in mind and to be sure to attend the meeting.

ed. He hopes the Post will be 100% by Saturday, Nov. 14, when a kick-off dinner will be held at the John-Manville club in Waukegan. It is sponsored by the 5th District.

The Lake Villa V.F.W. Auxiliary will sponsor a dance at Downey, September 17th. They will leave the Post home at 6:15. All who can help out are asked to attend and help at the evening programs at the hospital.

American Legion Auxiliary

The Lake Villa American Legion Auxiliary will meet Thursday, September 10, at 8 p.m. at Johnson's Fourth Lake Resort, Lake Villa. Refreshments will be served.

Family Gathering

About thirty relatives will

THE ANTIOCH NEWS

THURSDAY, SEPT. 10, 1964

Hold a picnic Sunday, September 6, at the home of Mr. and Mrs. Fred Bartlett, Sr. Relatives from North Chicago and Lake Bluff also were present.

Mr. and Mrs. Clarence Ganshert and family of Rockford, Ill., were guests Tuesday at the home of Mr. and Mrs. Joseph Botts.

Mrs. Fred Bartlett, Jr., and daughter were visitors recently at the home of Mr. and Mrs. Stanley Hollis of Waukegan.

Do not overload the trunk of your car when packing for a vacation. Too much weight in the rear of the automobile affects the balance of the car and tends to point the headlights off the road.

11 Topics for Today's Women

Mr. and Mrs. Charles Huber.

St. Bedes Is Setting For August Wedding

Charmayne Jean Sozin and Charles Anthony Huber were united in marriage on Saturday, August 22, at St. Bede's Church.

The bride is the daughter of Mr. and Mrs. Edmund Milnowski, 18 Atwater Parkway, Fox Lake. The groom is the son of Mr. and Mrs. Charles Huber, Lakeshore Drive, Wildwood.

The bride was given in marriage by her father. Her gown was of imported Chantilly lace, sprinkled with sequins and pearls, with a three-yard tiered cathedral train. The veil of French illusion net was also three-tiered, and was held by a

crown of pearls and crystals. Miss Marilyn Rudzinski, cousin of the bride, was maid of honor. Her gown, with a white bell skirt and floral top, was accented with midnight blue accessories.

William Moore, cousin of the groom, served as best man. Ushers were Edmund Mittage, cousin of the bride, and Michael Moore, cousin of the groom.

A reception was held at the V.F.W. hall in Lake Villa. After a honeymoon at the Lake of the Ozarks in Missouri, the newly-married couple will be at home in Wauconda, Illinois.

Ness - Oosting Nuptials At Antioch Methodist Church

Carole-Jo Ness became the bride of J. Thomas Oosting in an afternoon wedding on Sunday, August 30, at the Antioch Methodist Church, with the Rev. Donald Cobb performing the marriage service.

The bride, the daughter of Dr. and Mrs. Charles D. Ness, 107 Hawthorn Lane, Antioch, was given in marriage by her father. The groom is the son of Dr. and Mrs. Melvin Oosting of 3234 Sunnycrest Lane, Dayton, Ohio.

The bride wore a high fashion sheath gown of silk crepe with a scooped neck-

line, elbow length sleeves and an Empire waistline. A narrow band of satin highlighted the waist of the gown. The Watteau train fell from the shoulders into a long cathedral train. A circlet of satin formed a headpiece which held the illusion veiling. The bride carried white Fuji mums.

Miss Virginia Mortenson, Morristown, New Jersey, served as maid of honor. Bridesmaids were Elizabeth Oosting, sister of the groom; Sande Harwood, Marshfield, Wis., and Greta Kalla, Chicago. All wore blue crepe sheath gowns styled the same as the bride's with flat bows for headpieces to hold their double-tier illusion veils. They carried white Fuji mums with blue centers.

Best man was Richard Freeman, Dayton, Ohio, cousin of the groom. Ushers were Stephen Parfrier, Dayton, Ohio; Timothy Oosting, brother of the groom, and John Soliday, Wooster, Ohio.

A reception was held at Lorenz's Smart Country House. The newlyweds will reside at Muncie, Indiana, where Mr. Oosting will be an instructor at Ball State Teacher's College.

The bride is a graduate of Antioch High School, and received a B.A. degree from Carroll College, Waukesha, Wis., and an M.A. from Bowling Green State University. She is a member of Delta Zeta Sorority, and of Pi Kappa Delta, honorary Forensic fraternity.

The groom received his B.A. degree at Hope College, Holland, Mich., and an M.A. degree from Bowling Green State University. He is a member of Pi Epsilon Delta, National Honorary Dramatics fraternity.

Club To Learn Flower Arranging

Featured at the September meeting of the Y-Mother of Twins Club will be a demonstration on Floral Arranging by Mrs. Nancy Ranta, owner of the Flower-Pot in Zion.

Mrs. Ranta is the mother of twin daughters, Mary and Martha, who are 14 months old.

The meeting, which will be held on Thursday night, September 17, at 8 in the Waukegan YWCA Lounge, is open to any mother of twins in the Lake County area.

Mrs. Ranta has asked that anyone who has an unusual vase or flower holder in which it is difficult to arrange flowers should bring it to the meeting and she will give suggestions on how to use it.

The floral arrangements that Mrs. Ranta creates in her demonstration will be sold to those attending the meeting. For more information about the Y-Mother of Twins Club Mrs. Kenneth Mattson, 395-0405, may be contacted.

Legion News

ANTIOCH AMERICAN LEGION AUXILIARY

By Dol Jahneke

Mrs. John L. Moran, Unit President, Mrs. E. A. Swenson, Unit Chaplain, Mrs. Lester Zitkus, Unit Treasurer, Mrs. Ed Jahneke, Unit Historian, and Mrs. George Swenson were part of the 350 American Legion Auxiliary members, Legionnaires and guests who watched the 10th District installation of officers at the Mundelein American Home on August 25.

Mrs. William O'Neill, Lake Forest, a Past District Director, was the installing officer, and she installed her daughter, Mrs. Albert Dorn, Mundelein, as District Director. Other district officers

Mrs. Albert Dorn

installed are: Mrs. L. Johnson, Zion—alternate director; Mrs. Walter Simonson, Fox Lake, district historian; Mrs. William Schultz, North Chicago, district secretary; Mrs. Silver Mae Hayes, Waukegan, district treasurer; Mrs. William O'Neill, district chaplain; Mrs. H. Gleason, Libertyville, district sergeant-at-arms; and Mrs. William Franzen, Vernon Unit—the Junior district director.

Mrs. Harry Read, Round Lake, was given a gift from the District in recognition of her 7600 hours of volunteer service to Downey Hospital during her years as Department Hospital chairman. Mrs. Franzen was given the Bee Allen Trophy from Mrs. Charles McCormick, Mundelein, because 10th District had contributed the most money, based on a membership percentage, to the Auxiliary Loan Scholarship Fund.

Mrs. Jahneke presented Mrs. Franzen with the 10th District Press book, which had won second place in the state. Mrs. Dorn then announced the names of her District chairmen. They are: Americanism—Mrs. N. Samkus, Lake Zurich; Auxiliary Loan—Mrs. Carl Seaholm, Grayslake; By-laws and Revisions—Mrs. Carson Neville, Grayslake; Child Welfare—Mrs. Thomas Kinney, Lake Forest; Civil Defense—Mrs. Barbara Klemm, Grayslake; Community Service—Mrs. Logan Kennedy, Waukegan; Coupon—Mrs. Walter Meyer, Mundelein.

Finance—Mrs. C. Glader, Libertyville; Foreign Relations—Mrs. Gilbert Richter, Zion; Gold Star—Mrs. A. L. Wegner, Lake Zurich; Illini Girl's State—Mrs. Robert Kapheim, North Chicago; Junior Activities—Mrs. Richard Brady, Grayslake; Legislative—Mrs. Mary Carney, Libertyville; Membership—Mrs. L. Johnson; Member's Liaison—Mrs. Robert Broege, Deerfield; Memory Book—Mrs. John Mould, Wauconda.

Music—Mrs. Lester Zitkus, Antioch; National Security—Mrs. Philip Cole, Highland Park; Past President's Parley—William Franzen, Libertyville; Poppy—Mrs. Frank Gates, Waukegan; Parliamentarian—Mrs. E. Kirkman, Libertyville; Publicity-Radio-TV—Mrs. Ed Jahneke, Antioch; Rehabilitation—Mrs. Carroll Porteous, Mundelein; Veterans' Craft—Mrs. Whitfield, Fox Lake; and Bulletin—Mrs. Ray Suzzi, Highland.

The Department First vice president, Mrs. Fred Willett of Chicago, and Mrs. Marge Strum, a past department president, were guests of honor. The meeting was concluded with refreshments served by the Mundelein Unit.

A reception was held at Lorenz's Smart Country House. The newlyweds will reside at Muncie, Indiana, where Mr. Oosting will be an instructor at Ball State Teacher's College.

The bride is a graduate of Antioch High School, and received a B.A. degree from Carroll College, Waukesha, Wis., and an M.A. from Bowling Green State University. She is a member of Delta Zeta Sorority, and of Pi Kappa Delta, honorary Forensic fraternity.

The groom received his B.A. degree at Hope College, Holland, Mich., and an M.A. degree from Bowling Green State University. He is a member of Pi Epsilon Delta, National Honorary Dramatics fraternity.

Prizes For Teen Dancers

Ron Riley and the Thunderbirds will be the big attraction at the Teen Age Record Hop to be held Saturday, September 10, at the Antioch High School gym.

There are other inducements, too. Free records will be given to the first 200 persons admitted to the dance. And there will be a dance contest with prizes. The record Hop is sponsored by the Knights of Columbus of St. Peter of Antioch Council. The dance will start at 8:30 p.m.

CHRISTIAN SCIENCE CHURCHES

The life of Abraham will be reviewed next Sunday at Christian Science churches to show how "faith" is the substance of things hoped for, the "evidence" of things not seen" (Heb. 11).

The subject of the Bible Lesson is "Substance," and the Golden Text is from Galatians 3: "They which be of faith are blessed with faithful Abraham."

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include a description of Abraham as an example of "Fidelity; faith in the divine life and in the eternal Principle of being. This patriarch illustrated the purpose of Love to create trust in good, and showed the life-preserving power of spiritual understanding."

PTA TO MEET

The Oakland School PTA will have its first meeting on Monday, September 14, at 8 p.m.

A military representative will demonstrate Flag Etiquette. An introduction and fellowship with teachers will follow the business meeting.

Libertyville: Foreign Relations—Mrs. Gilbert Richter, Zion; Gold Star—Mrs. A. L. Wegner, Lake Zurich; Illini Girl's State—Mrs. Robert Kapheim, North Chicago; Junior Activities—Mrs. Richard Brady, Grayslake; Legislative—Mrs. Mary Carney, Libertyville; Membership—Mrs. L. Johnson; Member's Liaison—Mrs. Robert Broege, Deerfield; Memory Book—Mrs. John Mould, Wauconda.

Music—Mrs. Lester Zitkus, Antioch; National Security—Mrs. Philip Cole, Highland Park; Past President's Parley—William Franzen, Libertyville; Poppy—Mrs. Frank Gates, Waukegan; Parliamentarian—Mrs. E. Kirkman, Libertyville; Publicity-Radio-TV—Mrs. Ed Jahneke, Antioch; Rehabilitation—Mrs. Carroll Porteous, Mundelein; Veterans' Craft—Mrs. Whitfield, Fox Lake; and Bulletin—Mrs. Ray Suzzi, Highland.

The Department First vice president, Mrs. Fred Willett of Chicago, and Mrs. Marge Strum, a past department president, were guests of honor. The meeting was concluded with refreshments served by the Mundelein Unit.

Mr. and Mrs. J. Thomas Oosting

Rides Monorail At World's Fair

Sharon Berke, 465 Orchard St., Antioch, is one of those who rode the AMF Monorail at the New York World's Fair.

A forerunner of monorail systems for the mass transportation field, the AMF MONORAIL system at the Fair has seven two-car trains operating continuously over the 4000-foot closed loop track suspended 40 feet in the air. The AMF Monorail gives riders a panoramic view of the spectacular World's Fair scene and a good vantage point for taking snapshots through photographic ally corrected picture windows. It is expected that monorails will eventually be used in shopping centers and for high speed inter-city and airport to city service.

Where The Boys Are

GREAT LAKES, Ill.—Frank R. Moser, 18, son of Mr. and Mrs. Frank Moser of 892 Main St., Antioch, Ill., completed basic training August 7 at the Naval Training Center, Great Lakes, Ill.

Young People Plan World's Fair Trip

Members of the MYF of the Antioch Methodist Church will be washing cars Saturday, (Sept. 12) at Ray's Shell Station to start a fund for a trip to the World's Fair.

The Fair-going group is not confined to members of the MYF—all Antioch High school students are invited to join in the project. However, they will have to work on the fund-raising projects if they wish to take the trip. The young people plan to make the trip next summer. They plan to run several projects and attempt to raise \$1,500.00. Students who may be interested can contact Bob Koemoud at 395-0789.

NEW TEACHER AT HOOPER SCHOOL

Patricia A. Strickler of Antioch has been employed by B. J. Hooper Grade School, Lake Villa district, Lindenhurst, as a fourth grade teacher. She began work on September 1, 1964.

Library Receives Memorial Donations

Several new Memorial books have been given to the Antioch Public Library. Among them are: The Church and Clubwoman's Companion, by Sevanne, in memory of Mrs. Lorraine Cheatham; Hand Taming Wild Birds, by Martin, in memory of Mr. Harry Messing; Woman's Day Book of Knitting and Crocheting Projects, in memory

CARRYING THE HOPES of Antioch football for this season will be Stan Revell at center, Wally Henning at quarterback, Tyrone Walls at flanker, Vince Casella at fullback and Paul Lindblad and Tom Morgan at halfback.

ANTIOCH'S FORWARD WALL lines up as they will appear before opposing teams this season. Left to right, are Mike Sterbens, Bob Flood, Ken White, Paul Williams, Ed Westberg, Rich Mason and Bernie Smith.

Prospects For 1964 Bright, Says Nelson

The football coaching staff at Antioch High School issued 39 uniforms last week as preparations for the 1964 season got under way. In addition to the 39 varsity hopefuls, 34 sophomores turned out.

The prospects look much brighter this year, coach Roy Nelson indicated, with 14 lettermen returning. Moving up from last year's soph squad, end Mike Sterbens and fullback Bill Meyer are scheduled to see action this year.

In spite of the fact that the squad ran two sessions a day prior to the opening of

school Nelson said that the spirit and morale was higher than he has seen it in the past two years.

The first scrimmage is set for September 12. The session will be officiated and played under game conditions. "We'll have a better idea of where we stand after that," Nelson said.

Anglers Try To Hook State Title

"The World's Series of Sports Fishing," they call it, and it will get under way Monday, Sept. 14, at Barney Shunneson's Boat House on Channel Lake.

Both men and women are eligible, and fishing will continue daily through September 26 on Channel Lake and Lake Catherine. They'll be competing for the individual fishing championship for the State of Illinois.

In addition to the state title, the winner also will earn an all expense trip to the 1964 World Series of

Fresh Water fishing on famous Bull Shoals lake at Bull Shoals, Ark.

The final fishoff will be held on Sunday, Sept. 27, when at least 39 contestants are expected to participate. Among the group will be four seeded former state singles winners, including Lewis Simon of Antioch, last year's champion. The others seeded into the finals will be Bill Hoffman of Evanston, 1960 and inaugural titleholder; Harold Smiley of Round Lake Park, the 1961 victor, and Don Nichols of LaGrange Park, the 1963 champion.

During the qualifying, two contestants with the highest number of points at the end of each week-day preliminaries will advance to the finals. On both Saturdays and Sundays, five anglers will qualify each day. In all, 35 men and women will advance to the final fishoff through qualifying.

Qualifying will be held daily on Saturdays and Sundays from 6:30 a.m. to 6:30 p.m. Before going out on the contest waters, anglers MUST register at Channel Lake Boat House, located at the Illinois highway 173 bridge, on the south side of Channel Lake. There are no entry fees.

Sponsoring the contest is Barney Shunneson, operator of Channel Lake Boat House. Upon registering, contestants will be given a printed copy of the rules.

Free Courses To Teach Safe Boating

To promote safe and proper boat handling, the United States Power Squadron will conduct a 9 course session in piloting starting 8:00 p.m., September 22 at the McHenry High School in McHenry.

Qualified instructors from the Chain of Lakes Squadron will discuss safety, regulations and proper boat operation. All boat operators should plan to attend as boating can be more fun if done right. For further information please contact William Landwer at 395-2816 in Antioch.

News of Lakesports

Record Purses For Season's End At Wilmot

Bill Bohn of Bristol took the lead on the 65th lap of the 100-lap Championship race when Jack Radtke of Lake Villa retired with a broken transmission. Bohn went on to capture the win in the last race of the season at the Kenosha County Speedway at Wilmot.

Bohn had also won the 75-lap feature the week before, but this time in addition to the lion's share of a record purse contributed by a record attendance crowd, he carried \$360 in lap prize money from the \$1000 fund contributed by fans and merchants in the area.

It was Bill's richest night of racing but did not equal the record amount collected by last year's champion, Eddie Stillman, who won \$910 in lap prize money a year ago and made a clean sweep of the program which swelled his earnings to an all time record of nearly \$1300 in a single night.

Radtke collected \$640 in lap prize money and was grateful that he had been able to stay in that long. This too was a record earnings night for him.

Starting the races on this final night there were only two points separating Rodger Otto of Burlington from up-coming Jim Sullivan of Antioch. In the time trials Otto picked up another point but neither was able to score in the heat races. Sullivan's car failed him in a heat and he switched to the 1962 and 1963 championship car for the 100 lap feature.

On the start, seven cars collided going onto the backstretch as Dick Bently grabbed the lead. The race was stopped and when the cars were untangled Steve Stevens' car, which had set fast time in time trials, was damaged and could not restart. Stevens switched to another car and was in on the restart. Darnell's car was also damaged but hasty repairs got him back on the track in time to continue, but the car did not handle and Darnell was first out of the race.

This was tough on Darnell who had to gamble with time in order to make this race. He was due in DuQuoin for a 100 mile stock car race with Indianapolis drivers by noon Sunday and it was over an eight hour drive.

On the restart, Radtke took the lead and in the back, Jim Sullivan got through traffic and came up to second position and could have wound up the driver champion, but his engine failed him, leaving Rodger Otto still running. Otto, however, was not running up to form and when Sullivan pulled out of the race he went into the pits to make a fuel adjustment. This helped his engine but six laps later a radiator hose blew, and caused him to skid to a stop alongside the lower corner rail. Kenny Tolugan spun out in the water from the radiator and could not get restarted. He had been second and gaining at the time.

This eliminated the last threat to Bohn's win.

The point battle for spectator drivers was equally close and not decided until the last lap of the last race. Dick Aissen of McHenry got around Harold Gutchee of Kenosha and was headed for his second straight championship but could not get around Rodger Haggie of Antioch. Had Aissen won he would have had one point more than Gutchee, but it ended with Aissen scoring one point less overall than Gutchee who is the new champion of Spectator cars.

The record attendance mark was 4667 and the purse plus lap money was \$3,492.50. Races will return to the Kenosha County Speedway in May of 1965.

Rusty Kaye of Silver Lake will be new Track manager following the retirement of Chick Hoppenrath of Milwaukee. He had served Paten Jim Auto Racing at the track for 12 years. Plans for the Trophy party on October 31 will be announced later.

Trap Shoot Draws 460 Marksmen

By Harry H. Stern

Antioch played host to smooth-bore shooters from three states as the Northern Illinois Conservation Club unveiled its new trap-shooting layout to the public in a pre-Labor Day turkey shoot Sunday, Sept. 6.

In all, 460 shooters took turns at the firing line to take pot-shots at the clay birds, which in turn enabled them to cart away 121 delect-

Speedway To Run Through October

Jim Cossman, current point leader, walked home with the 35-lap Summer Championship race for sportsmen Saturday night at the Waukegan oval.

The race was running smoothly with Ray Dixon of Gurnee in the lead and 4 cars coming on fast. Odell Jones was holding second position when on the 20th lap the leader, Ray Dixon, lost his wheel. At the same time, a half lap behind Odell Jones, Jack Ester and Bill Robis tangled horns and Jim Cossman took over the lead with ease. Jim drove the remainder of the race unchallenged. Heat winners were Al Lucas in the first heat; Ray Dixon in the second heat; Jim Cossman in the third and Bill Robis in the fourth heat.

Figure 8 race and combined demolition race lived up to its record by wrecking 14 cars as once again there were two winners.

Race fans heard the announcement that the Waukegan Speedway will run into October this 1964 season with the schedule for September as follows: Saturday, Sept. 12

—Late Model Sportsman; Figure 8 Racing with a Demolition Race as an added attraction. Sunday, Sept. 13 —35-lap Modified Feature and Late Model Sportsman. Saturday, Sept. 19 —Late Model Sportsman; Figure 8 Racing with the added attraction of a Powder Puff Race. Sunday, Sept. 20 —50-lap Modified Feature, and Late Model Sportsman. Saturday, Sept. 26 —Late Model Sportsman—Figure 8 Racing—and a Truck Up Race. Sunday, Sept. 27 —75-lap Modified Feature, and Late Model Sportsman.

Starting next Saturday and each racing night thereafter gates will open at 6:00 p.m., time trials at 6:45 p.m., and first race at 8:00 p.m.

HARRIS WINS SUN- DAY NIGHT FEATURE

Dwane Harris of McHenry drove a blistering 25-lap modified feature race Sunday night to beat them all at the New Waukegan Speedway. At the start, Harold Wade of Waukegan pulled off the pole position to open up a 4-lap lead over the field.

John Reimer, Caledonia, moved steadily through the pack to catch and pass Wade on the 12th lap.

Due to a traffic jam the red flag dropped on the 17th and a single file restart had John Reimer in front. On the 20th lap, Reimer pulled to the infield with twisted drive shaft and Dwane Harris took the lead. Ken Talagan, drying for a clean sweep, had moved beautifully from last

row outside to third position but with only one lap remaining could do little about the distance between the leader and himself.

Third heat for modifieds brought the crowd to its feet numerous times as Ken Talagan and John Reimer fought the finest heat race battle this year. Ken turned in fast time for the night in 16.64 and from the start set his sights on the rear end of Reimer's A-3; with two laps to go, Talagan caught and passed Reimer as the grandstands went wild. Ken's fans have been growing in number and it was certainly evident when he picked up his checkered flag.

Semi went to Fran Ansill of Milwaukee and Fran also took the first heat for modifieds. Second heat race went to George Uttech and 4th to Harold Wade.

Jim Ford had a winning car in sportsman events as he collected 1st place in his heat race and 1st in the feature. Second heat was won by Chuck Harper.

Golf League To Award Trophies

The Spring Valley Twilight Golf League will celebrate the end of the season and honor their trophy winners at a banquet Saturday night at Pasadena Gardens.

Trophies will be awarded to the Antioch News, Tom's Luggage and Antioch Landscaping for their respective 1st, 2nd and 3rd place finishes.

The golfers and their wives are scheduled for cocktails at 6 p.m. and dinner at 7:30.

WSCS To Hear Speaker At First Meeting

The Woman's Society of the Christian Service of the Antioch Methodist Church will hold its first Fall meeting on Wednesday, Sept. 16, at 12:30. Dessert luncheon will be served by the members of Martha Circle, of which Mrs. O. W. Turner and Mrs. Clarence Olson are chairmen. Mrs. Elroy Anderson will have charge of the Devotional period.

Mrs. Robert McAllister, Program chairman for the society, has completed arrangements for interesting programs for the coming year. The first speaker will be Rev. Ralph J. Smith, former pastor of Waukegan's Faith Methodist Church. As co-ordinating Chaplain of the new Lake County Chaplains' program, he will explain what this inter-faith project can mean to inmates of the five participating county institutions—the T.B. Sanatorium, the County Home at Libertyville, the Youth Home, the County Hospital and the County Jail.

At this first meeting Rev. Smith will speak on "Who Shall Care for Our Losers?" Lake County has a conscience about the three D's—the destitute, the diseased and the delinquent. Numerous agencies and offices in the community lend a helping hand. Among these are the Mental Health Clinic, the Family Service Agencies, the Catholic Charities, the Salvation Army, Illinois Public Aid, the Township Supervisor's office, the Red Cross and various churches.

No single pastor with the agencies and details of the local parish can give enough time to visit all of these unfortunate people and tend to their religious needs. The chaplain's scheduled rounds of visiting and frequent referrals seem the only way for all of the church to work cooperatively to meet the continuous cycle of emergencies.

Old Timers To Gather For Picnic

The regular Mt. Olive Day picnic will be held on Sunday, September 13, at the Yugoslav Grove, located at 5530 South Narragansett Ave., according to Louis Baffetti, Lake Shangri-La, who will be attending the festivities.

The Mayor of Mt. Olive, Ill., will lead two or more buses loaded with old timers. Mr. Baffetti says this will be one of the largest picnics held by Americans of Croatian,

DEATH NOTICES

ERNEST M. FARM

Mr. Ernest M. Farm, 53 years old of Sand Lake, near Lake Villa, Ill., passed away on Monday, Sept. 7, at 6 p.m. in Oak Forest Hospital at Oak Forest, Ill., after being ill since January of this year.

He was born August 7, 1911 at East Chain, Minnesota, and moved to Antioch 37 years ago, and had lived between Chicago and Lake Villa for the past 10 years. He had been last employed as a truck driver for Treloar Trucking of Joliet, Ill.

Mr. Farm is survived by three brothers, Dick Farm, Lake Villa, Frank Farm, Bristol, Wis., and Andrew Farm, Mankato, Minnesota; two sisters, Mrs. Ingrid Seger, Waukegan, and Mrs. Clara Trough, Cambridge, Minn.

Funeral services are being held at 1:30 p.m. today (Thursday) at the Strang Funeral Home in Antioch. Rev. Donald Cobb of the Antioch Methodist church is officiating at the services. Interment will be in Liberty Cemetery, north of Antioch.

TAYLOR A. CLARK

Mr. Taylor A. Clark, 73 years old of Petite Lake near Antioch, was found dead in his cottage on Wednesday, Sept. 2, 1964 from injuries that were evidently inflicted by someone else.

He was born Nov. 26, 1891 in Butler, Kentucky. He served in the U. S. Army from June 1, 1918 to March 18, 1919 and then moved to the Antioch area where he had resided since that time. He had been employed as a laborer by the resorts in the lake area. Mr. Clark is survived by two brothers, John H. Clark, Waukegan, and William Clark, California, Kentucky; also two sisters, Mrs. Lydia Crass and Ida (not living in this area).

Funeral services were held at 11 a.m. Saturday at the Strang Funeral Home in Antioch. Rev. Donald Cobb of Antioch Methodist Church officiated at the services. Interment was in Grass Lake Cemetery.

ESTHER KONIECZNY

Mrs. Esther Konieczny, 62, of R. R. 1, Box 829 Timber German, Polish and Italian ancestry.

Mrs. Mary Bridich from Madison, Ill., will be present. John Millik and Michael Re-laz head the committee.

Among the notables, Governor Kerner has been invited to attend.

For information on buses from Antioch for the picnic, call Mr. Baffetti at 414-UN 2-2900.

lane subdivision, Salem Township, passed away at her residence Monday morning after a three month illness. Born in Chicago January 10, 1902, the daughter of the late Mr. and Mrs. Charles Granso, she has been a resident of Salem since 1955. She had been an employee of Best Food Co. in Chicago for four years.

She is survived by her husband, Vincent, one daughter, Mrs. Henry (Bernice) Wroblewski of Chicago, one brother, Elmer Granso of Wheeling, three sisters, Mrs. Gus (Helen) Patz of Chicago, Mrs. Myrtle Michalak of Midlothian and Mrs. George (Eleanor) Nerud of Riverside.

Funeral services Thursday, September 10, 1964, from the Colonial Funeral Home to Holy Name Church, Wilmette, where mass will be celebrated at 10 a.m. Interment will be in Holy Name cemetery. Rosary recited at 8 p.m. Wednesday.

RAINBOW GIRLS MEET MONDAY

The Antioch Assembly, Order of Rainbow for Girls, will meet on Monday, Sept. 14, at 7 p.m. at the Masonic Temple. Juanita Gillum, W. A., will preside. Mrs. Wilma Gibbs is the Mother Advisor. Joan Gussarson will be initiated into the Order.

Karen Jennrich and Leslie Beese will report on their dinner project. Election of officers for the next four months will take place also. These new officers will be installed at an installation on Saturday, Sept. 26, at Wesley Hall, Methodist Church.

Civic League To Study County Budget

Lloyd E. Murrie, Chairman of the Finance Committee of the Lake County Board of Supervisors, has invited the Lake County Civic League to send its Citizens' Advisory Committee to the budget and appropriations meetings of the county board.

Elmer W. Freytag, President of the league, has named Michael Zimmer of Prairie View, V. Joseph Hultman of Waukegan, and Dwight Ingram of Lake Forest to join him in the budget hearings. The Civic League committee will meet with the county supervisors at the budget meetings which will follow the meetings the finance committee is now holding with the elected officials and department heads to discuss the financial requests of the various offices for the operation of their departments during the coming year.

In addition to Chairman Murrie, the finance committee includes Supervisors Guy L. Grinnell, Joseph Welch, Robert J. Dickson and Lefty E. Fritz, secretary.

ANNOUNCEMENTS

Memorial to Victor Hook who passed away September 11, 1960. Memories are treasures no one can take. Death is a heartache nothing can heal. Some may forget him now that he has gone. But I shall remember, no matter how long. Loving wife, Marguerite Hook.

I wish to thank all my friends and neighbors for the kindness and expressions of sympathy they have shown me at the time of my bereavement. Thank you. Mrs. Elmer Veesenmeyer (11)

I would like to thank the wonderful people for the Get Well cards I received while I was in the hospital. And to thank everyone who has helped me out. Bill Huebner and family (11)

NOT responsible for any debts other than my own. David Sumstad (11-12-13)

We wish to thank the Antioch Rescue Squad for their help, all our neighbors on Victoria St., and the many friends who offered comfort at the time of our recent bereavement. The Harold Cardiff Family (11)

Punt, Pass & Kick Contest Starts Here

The Chicago and Ford dealers and Chicago Bears today announced the fourth annual Punt, Pass and Kick competition for 8-through-13-year-old Chicago area football fans.

D. O. Wiggins, Chicago district sales manager of Ford Division, Ford Motor Company said, "This national program is co-sponsored by the Ford Dealers of America and the National Football League."

"P&K" pits the youth's punting, passing and place-kicking skills against those of other participants of the same ages. Since its inception in 1961, the program has attracted more than 1,100,000 entries.

Registrations for this year's competition began Sept. 1 at Ford dealerships, or at locations designated by them, and conclude Oct. 9.

Chuck Steak

Tablet, Blade Cut, U. S. Choice Chuck Steak is one of the most enjoyable cuts of beef you can serve. Beautifully "marbled" with just enough fat, and aged for tenderness (just like steak), this cut assures you of a juicy roast for real "eating pleasure!"
